

Lesson 8 Longer (Dan Fogelberg)

Longer than there've been fishes in the ocean
Higher than any bird ever flew
Longer than there've been stars up in the heavens
I've been in love with you.

Stronger than any mountain cathedral
Truer than any tree ever grew
Deeper than any forest primeval
I am in love with you

I'll bring fire in the winters
You'll send showers in the springs
We'll fly through the falls and summers
With love on our wings
