

Lesson 16 Interlude (Sam Hui)

Time is like a dream
And now, for a time, you are mine
Let's hold fast to the dream that tastes and sparkles like wine

Who knows if it's real
Or just something we're both dreaming of
What seems like an interlude now
Could be the beginning of love

Loving you is a world that's strange
So much more than my heart can hold
Loving you makes the whole world change
Loving you, I could not grow old
No, nobody knows
When love will end
So till then, sweet friend...
