The Culture Show

Connecting music to visual arts, literature, film and theatre while discovering the delights of these arts in different parts of the world...

SUNDAYS 7-8PM

7/2024

This month, ‘The Culture Show’ becomes a source of inspiration for Italian adventures. From Marco Polo to Puccini; La Scala to La Fenice; from the National Museum of Cinema to the Uffizi; from Villa Borghese Gardens, Rome to St Francis Basilica, Arezzo; from Vivaldi to Einaudi – discover the places, art and music that have left an indelible mark on history with my studio guest, the Director of the Italian Cultural Institute in Hong Kong, Alice Fratarcangeli.
