Chamber Resonance

Studio 2 Music Salon

In the past half-century, Hong Kong has blossomed into an international city with a vibrant cultural life. Its concert halls have become a haven for music enthusiasts, drawn by the allure of world-class performances. This remarkable transformation is a testament to the generations of talented musicians who have graced the city's stages, nurturing the arts and inspiring future generations.

With great pride, Radio 4 embarks on a momentous celebration to mark the 50th anniversary of this fine music channel. We are thrilled to present 'Chamber Resonance: Studio 2 Music Salon' – a collection of seven recitals featuring musicians deeply connected to the local audience.

These performances will showcase their remarkable artistic achievements through the power of music and reveal their artistic visions through engaging conversations at the newly renovated RTHK Studio 2. With the improved acoustics and upgraded audio equipment at Studio 2, we are dedicated to delivering an enhanced listening experience to our audience.

Join us on the first Saturday evening of each month, from May to November, as the 'Chamber Resonance' concert series unfolds. You are welcome to attend the recitals in person by requesting tickets online, tune in to the live broadcasts on Radio 4, or enjoy the concert videos later on YouTube. Details of each recital will be announced on Radio 4's website: radio4.rthk.hk.

半世紀以來，香港經歷了繁華的城市發展，文化生活同時都變得非常豐富。我們身在香港就能經常聽到優秀的演出，有賴一代又一代的音樂家在這個地方長期耕耘，栽培出自我要求極高的表演者，以及眼界更廣的聽眾。

香港電台第四台透過節目製作和音樂會轉播，見證了這段輝煌的樂壇發展。在第四台五十周年之際，我們邀請七位一直在港深耕的音樂家，來到香港電台二號錄音室，在「樂有所思：二號錄音室音樂沙龍」留下他們藝術成就的記錄，並透過對談分享他們的演奏思路。二號錄音室是他們熟識的場地，最近完成翻新，改善了音響環境與錄音設備，我們希望能在此將音樂演出更好地呈獻給聽眾。

由五月至十一月，每月首個週末的「樂有所思」音樂會都會在第四台現場直播，並會錄影，讓大家在 YouTube 上欣賞。演出亦設有小型的觀眾席，你可以在網上登記索取門票，詳情請留意第四台網頁：radio4.rthk.hk。
